NEXT SCHEDULED MEETING:

MAY 12, 2021

IMPORTANT NOTICE!!

Until further notice, all meetings will be at the Lake Hannibal Event Center 11049 Mark Twain Dr. Coming from across the river, continue on Route 36, go past Hannibal. About 8 miles you will see a sign that says Rensselaer 2 miles with a left turn arrow. Turn left onto Rt H and you will come to Rensselaer. Look for a sign with an arrow on top, turn right at that street and the store will be on the left. Also, we are looking for a new meeting place, due to the Ambulance District needing to expand the facilities for the Cardinal-Glennon neonatal program.

Monthly Meeting Minutes
Rocky Shrum KEØKCR, Secretary**

14 April 2021

CALLED TO ORDER:

Don (KDOHHN) opened the regular meeting at 7:00pm with 8 people present, and a visitor from Wentzville Mo, Jeff Shilt (KCOATF). Welcome Mr. Shilt to the Hannibal Amateur Radio Club.

PROPOSAL FOR MEMBERSHIP: Doug Baker (KG0TW), from Palmyra Mo was presented for membership by Don (KDOHHN). A motion was made by Ed (N0WNV) to accept, seconded by Cliff (K0CA) , the motion carried. Welcome Doug (KG0TW), to the club.

TREASURER REPORT: Kenny (KEOKCQ) gave the treasurer's report for the month.

Last month ending Balance \$2343.30

This Month ending Balance \$2397.40

Petty Cash on Hand \$40.00

CD Balance \$1337.63

Total Assets 3775.08

A motion to Accept the finance report was made and seconded by AI (N9MAF). The motion carried.

REPEATERS:

AI (N9MAF) Currently no known issues with the repeaters. The up and down weather is still on occasion affecting the repeaters, more so when extremely cold changes to warmer weather.

AI previously reported that on the 625 machine back when the repeater was having the problem he tried a different duplexer, same model as he put on the 880 repeater. This made no difference with the de-sense problem with 625.

Jody and AI checked the feedline from the repeater for loose connections and he climbed the tower to check cable and antenna connections. He found a few things a little loose on the antenna and feedline transition but nothing appeared loose enough to cause problems.

This month AI reported that he contacted Tom at A+W Communications and discussed the problem with 625 and what had been done so far. He said everything he would do has been done and had no other suggestions.

AI will do further investigation when the problem returns.

OLD BUSINESS:

Don (KDOHNN) Quincy Illinois are planning "Bridge the Gap Run " this year. No current information is available at this time however (W9WE). Dave said he would keep us informed once the details were completed. NOTE: The tentative date for Bridge the Gap in Quincy Illinois is 15 May 2021. No details have been released to date. Don noted that volunteers from our club would be a big help. Contact Don if interested.

Al (N9MAF) notified the club that he was in possession of several pieces of older Ham equipment that had been in the basement of a lady whose husband that was a ham operator had passed away and she wanted the equipment out of her basement. Al (N9MAF) had made a list and gave it to Don (KDOHHN) to see if the club could sell the equipment. See Don or Al on information on the equipment.

NEW BUSINESS:

Don (KDOHHN) informed the club due to Covid 19, that as President he invoked Executive Change to the By-Laws. Currently the new by-laws, (Article 8) for a Quorum will be 15 percent of the total paid members of the club. A second reading and vote was required. A motion was made by Don (KDOHHN) by voice vote. The I's carried, the motion passed.

Don (KDOHHN) talked about having a field day at the lodge in Rensselaer Mo. For now research has to be made for availability of the lodge, and if the members want this location.

Reminder on dues for the year.

HARC Dues: \$20 (\$5 additional per family member

KEN ENDSLEY: WON THE 50/50

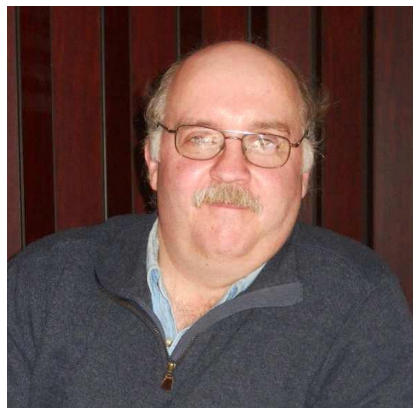

KEN FRANKLIN WON A CALENDAR

ROCKY SHRUM WON A CALENDAR THANKS TO ALL WHO PARTICIPATED

A motion to adjourn was made by ED (N0WNV), seconded by AL (N9MAF). The motion carried and the meeting adjourned.

FROM THE PRESIDENT'S DESK
BY DON VARY KDØHHN

Well here we are at the end of another month and headed from spring into summer -- where has the time gone. We had another meeting at the facility in Rensselaer, and until things get somewhat back to normal, and we can possibly find a place closer to, or in Hannibal, I think we have found a temporary home.

I would like to welcome returning member Doug Baker KGØTW. Doug holds an Extra class license, and recently completed the ARRL VE training, so when he receives his certification, it will give us another VE. Welcome back Doug!! As mentioned in the minutes, we have decided to do Field Day as it was done last year, operating from home. The ARRL has announced a change in the rules for this year which will allow Class "D" (home) stations to contact other Class "D" stations as well as the A,B,C,E, and F stations. Before COVID, Class "D" stations could not contact other stations in their class. It was felt that allowing this would also get more stations on the air for that weekend. Also, operators can indicate a club affiliation when filing their report and the ARRL will compile these scores to determine what would be club scores if we were operating as in the past.

A reminder that if you haven't paid your dues, please do so ASAP, At the May meeting we will be looking at who has and hasn't paid and possibly dropping those who have not paid their dues. Remember, your dues help keep our repeaters going. Following my column, I will have a list of some radio

equipment that the club has come into possession of. My XYL has an Avon customer whose husband went SK a few years ago. She is in the process of selling her home and gave me all of his equipment and said to see if anyone wanted any of it. I had AI (N9MAF) check the equipment out and he has it at his QTH, so if any of it interests you, contact him to look at it and go from there.

Well that's all for now, Everyone stay safe and we'll see you down the

log.
